

AXOPAR 22 SPYDER

A smart boat with stunning design that packs a punch and will turn heads wherever you go, and all without breaking the bank! The Axopar 22 Spyder is safe, stable, and unimposing, but at the same time fun, comfortable, thrilling and rewarding to drive. By implementing a classic Axopar hull in a smaller size, the outcome is a boat that is easy to manoeuvre in tight spaces with minimum windage impact.

Mix and match according to your preference and select from the different available sociable layouts onboard, and for added comfort you can choose a toilet, aft deck shower or bimini for sunshade to mention just a few available options.
